[Intro]

Am G

[Verse 1]

Am

There's nothing colder than your shoulder

G

When you're dragging me along like you do, like you do

Am

And then you switch up with no warnin'

G

And you kiss me like you want it, how rude, how rude

[Refrain]

Am

But I kinda like it anyways

G

I don't mind if this is gonna take a million days

Am

I know you'll come around to me eventually

G

If you sit back, relax, and join my company, my company

[Pre-Chorus]

Am

D

Once you know what my love's gonna feel like

G

Em

Nothing else will feel right, you can feel like

Am

Moonbeam ice cream, taking off your blue jeans

Dancing at the movies, 'cause it feels so
