

Space Man - Ukulele

[Verse 1]

F **C** **E7** **Am**
 If I was an astronaut, I'd be floating in mid-air
F **C**
 And a broken heart would just belong
E7 **Am**
 To someone else down there
F **C** **E7** **Am** **G**
 I would be the center of my lonely universe
F **Fm** **C**
 But I'm only human and I'm crashing down to Earth

Fm

[Verse 2]

F **C** **E7** **Am**
 If I was an astronaut, I'd have a bird's eye view
F **C** **E7** **Am**
 I'd circle round the world and keep on coming back to you
F **C** **E7** **Am**
 In my floating castle, I'd rub shoulders with the stars
G **F** **Fm** **C**
 But I'm only human and I'm drifting in the dark

[Chorus]

F **Am** **Dm**
 I'm up in space, man
F **Am** **Dm**
 Up in space, man
G **E7**
 I've searched around the universe
Am **C** **Dm**
 Been down some black holes
F **C** **D7**
 There's nothing but space, man
G **C**
 And I wanna go home
